

Introduction to Tai Chi Chuan

Tai Chi Chuan is a Chinese martial art comprised of gentle, flowing movements that can be practiced by any person of any age. Often described as moving meditation, Tai Chi Chuan uses choreographed sets of postures, called ‘forms’, which flow from one to another. Tai Chi teaches us to move and breathe properly so that we achieve our greatest potential strength.

Research has shown that Tai Chi has a positive impact on a variety of medical ailments including feelings of stress, high blood pressure, arthritis, diabetes, and multiple sclerosis.

No experience is required – only a desire to learn. All are welcome regardless of age or physical condition. Loose comfortable clothing should be worn.

This class will be held at St. Matthew’s Lutheran Church in Perkasie. The cost of the 8 week session is \$80. A walk-in fee of \$15 per class will be charged for anyone not registered for the full 8 week session. The class will be held Monday evenings from 6:30 to 7:30PM. For more information, or to pre-register for the class, please visit our website at www.chiengineering.net.
